## INNOVATION

**8 NextGen Construction**  
Net zero energy and net positive energy buildings are becoming less of a rarity and more of a regularity.  
*By Matt Cable*

**10 Data Driven**  
Artificial Intelligence and the Internet of Things are creating reliable data for improving the flow of traffic in and around the jobsite.

**12 Fifty-five Hours**  
A group of companies work together to insert pedestrian tunnels into a busy rail corridor before the Monday morning commute.  
*By Andrew Macklin*

**16 Focus on Energy**  
By focusing on energy efficiency, we can improve the quality of our water and wastewater infrastructure.  
*By Dianne Saxe*

## PROCUREMENT

**18 A New Direction**  
Exploring what needs to be done in order to transition Canada to low-carbon infrastructure procurement.  
*By Andrew Macklin*

## MOBILITY

**24 The Future of Mobility**  
A look at how mobile devices will improve our connection to built infrastructure.  
*By Andrew Macklin*

## MANAGEMENT

**26 Window Wall vs. Curtain Wall**  
New research from the University of Toronto looks at the decades-long construction debate.  
*By Patrick Marquis, Brenda McCabe, and Arash Shahi*

**28 Building in Sustainability**  
How sustainability can be integrated into municipal asset management.  
*By Kim Fowler*

## GOVERNANCE

**32 A New Approach**  
Understanding how to quantify the social value of infrastructure assets.  
*By Nathalie Drouin*

## PLANNING

**34 Preparing for the Worst**  
Best practices for how to respond to a crisis in the wake of unexpected disaster.  
*By Natalia Smalyuk*

## TOP100 PROJECTS

**36** New information on the development of Green Line LRT and the Regina Bypass.  
*By Andrew Macklin*

## DEPARTMENTS

**4 Editor's Note**  
*Andrew Macklin* on the role of innovation in creating better services in our communities.

**5 Front**  
Renewed hope for EA reform

**22 Panorama**  
Still Standing

**37 People & Events**  
Appointments, announcements, company news, and event reports.

**42 Closing Shot**  
*Todd Latham* wants to count trees.
