GOVERNANCE

8 Getting off the Roller Coaster
Fourteen years after becoming Ontario's first minister of infrastructure, *David Caplan* reflects on lessons learned that would be valuable across Canada.

10 Improving Project Delivery
What bringing 100 Alternative Finance and Procurement projects to market has taught Infrastructure Ontario.
By Ehren Cory

ENERGY

14 An Education in Energy
Taking an up close look at the development of Canada's largest post-secondary net zero energy building.
By Andrew Macklin

16 The New Frontier
How the Canada Green Building Council's Zero Carbon Building Standard could help mitigate building emissions.
By Mark Hutchinson

MANAGEMENT

18 P3s are Thriving!
Exploring the successful use of private-public partnerships across the country.
By Mark Romoff

20 Entering the Post-Consultation Era
How the voice of the people is having a greater impact on the development of new infrastructure.
By Jacques Bénard

24 Benchmarking Energy Management
The use of big data for energy benchmarking can help reduce consumption and create new efficiencies.
By Shooka Karimpour and Thomas Dandres.

FINANCE

28 Assessing Tolling Projects
As demand increases for tolled transportation projects, a number of factors need to be considered to evaluate their financial viability.
By Priscilla Adjei

30 Modernizing Infrastructure
The Canada Infrastructure Bank and Smart Cities Challenge present new opportunities for financing municipal infrastructure assets.
By Alison Babbitt

SMART CITIES

32 Smart Opportunities
The upcoming Smart Cities Challenge presents an opportunity for cities to execute a strategy for a digital transformation.
By Alex Miller

EDUCATION

34 The Need for New Education
What does the education sector need to consider to provide the proper training for the next generation of infrastructure developers.
By Ashley De Souza

TOP100 PROJECTS

36 Five burning questions that will be answered with the 2018 Top100 Projects report.
By Andrew Macklin

DEPARTMENTS

4 Editor's Note
Andrew Macklin on why the country needs to watch how events unfold in Churchill, Manitoba.

5 Front
Jonathan Hack discusses the need to plan infrastructure with expertise, not politics.

22 Panorama
Where the Trolls Live

38 People & Events
Appointments, announcements, company news, and event reports.

42 Closing Shot
Matti Siemiatycki asks if evidence-based planning is dead in Canada.
