The Infrastructure Magazine

JANUARY/FEBRUARY 2019

SPECIAL INSERT

Top100 Projects 2019

Our thirteenth annual report on Canada's biggest infrastructure projects is inserted into the centre of this issue.

For additional details on this year's Top100 report, visit top100projects.ca

OUTLOOK

8 Coming Soon

ReNew Canada's annual look at the key projects and issues that will define infrastructure development in the year ahead.

TOP100 PROJECTS

10 Top100 Projects Report

Breaking down the facts and figures behind the \$212.6 billion in public sector infrastructure development featured in our annual Top100 Projects report.

By Andrew Macklin

14 Positive Ions

Vehicle issues may delay its opening, but Waterloo's new ION LRT system is otherwise ready to go.

By Carroll McCormick

16 Northern Health

One of the largest infrastructure projects ever undertaken in the north, the Stanton Territorial Hospital prepares to open its doors in Yellowknife.

By Carroll McCormick

20 Inside Keelesdale

A pictorial look at the development of one of the new transit stations that will be part of the Eglinton LRT.

By Andrew Macklin

POLITICS

24 Battleground Canada

A federal election, coupled the NDP's search for a second mandate, dominate an important year in politics.

By Andrew Macklin

MANAGEMENT

26 Smart Health

The lessons learned from the construction of Canada's first digital hospital are paying dividends in the development of future smart, green healthcare facilities.

DEPARTMENTS

4 Editor's Note

Andrew Macklin discusses whether a resolution is attainable in London's bus rapid transit debate.

5 Front

Champlain Bridge opening delayed until the spring of 2019.

18 Panorama

Traffic efficiency

30 People & Events

Appointments, announcements, company news, and event reports.

34 Closing Shot

Todd Latham on the ineptitude displayed in the recent bridge collapse in Saskatchewan.
